To keep or not to keep animals in zoos?

Write an essay.

Describe advantages and disadvantages of keeping animals in zoos. Write 120-140 words

1. More advantages. More good animals.  
2. More cooperation.  
3. More people.  
3. More reports.  
3. More good genes.

1. Write an introduction
2. Give 3 arguments "for"
3. Give 3 arguments "against"
4. Draw a conclusion

At this moment I'm gonna talk about 2005.  
I'm getting to tell you about 3 arguments "for" and  
3 arguments "against".

First of all, I think zoos can involve a big amount  
of tourists. This tourists have money and their  
money will improve zoo. <sup>the same</sup> As tourists arrive from  
different countries as animals in zoo arrived from  
New Zealand and Africa, or see bears in China.  
You can spend all day in zoo ~~waiting~~ looking for interesting  
animals, because usually zoos are very huge.  
And this is one of the arguments "against", because  
instead of the zoo they can build many houses,  
of school and other. Animals at the zoo living in  
zoos is very expensive to feed animals, clean animals  
hire staff for big territories.

In conclusion, I want to say that I like going  
to the zoos, because its very fun and honesty, I'm  
don't care about health of animals.
